### **Mullahy & Associates Now Offering Workbooks for Leading Case Management Seminars**

#### **Huntington, NY...**

Mullahy & Associates ([www.mullahyassociates.com](http://www.mullahyassociates.com)), a leading provider of case management educational, training and advisory services, is now providing workbooks online for its highly touted, industry leading case management seminars. Specifically, case managers, nurses and healthcare professionals in aligned roles can go online to [www.mullahyassociates.com](http://www.mullahyassociates.com), click on the "Products" link and order the "Business of Case Management: An Introduction to a Leading Edge Practice Workbook," "Best in Class Case Management Workbook," and "Best in Class Hospital Case Management Workbook." All three of these educational tools were created by Mullahy & Associates President Catherine M. Mullahy, RN, BS, CRRN, CCM, the Case Management Society of America's (CMSA) 2010 Lifetime Achievement Award recipient, and Mullahy & Associates Vice President Jeanne Boling, MSN, CRRN, CDMS, CCM, a former Executive Director of the CMSA.

Each workbook provides the content of its respective seminar in the format of an easy to follow Power Point presentation, accompanying articles and resources from Mullahy & Associates' recent programs. The fee for each workbook is \$50. Purchases can be made securely through PayPal and credit cards.

For a complete list of all Mullahy & Associates' products, services and upcoming seminars, visit: [www.mullahyassociates.com](http://www.mullahyassociates.com) or call: 631-673-0406.
