Mullahy & Associates, LLC (Huntington, NY), one of the nation's leading educational and training resources for healthcare professionals, announced today that publication of The Case Manager's Handbook, Fourth Edition © Copyright 2010 authored by its President Catherine M. Mullahy, RN, CRRN, CCM. This 875-page, ultimate how-to-guide for case managers has been updated with the latest information and also includes several new chapters covering such timely topics as: Obesity – The New Epidemic, Our Nation's Multiculturalism and Challenges to Case Managers, Health Literacy and Adherence Issues, Pharmaceuticals – the Ever-Evolving World, Our Aging Population – Medical Advances and New Case Management Considerations, Direct to Consumer Community-Based Case Management, and Continuum Concepts. Also new with this latest hardcover edition is a Free CD-ROM with customizable forms and letters.

The Case Manager's Handbook, Fourth Edition has become the definitive resource for information on "Best in Class" case management practices. Its contents are widely used in colleges and university Schools of Nursing as well as by professional associations and leading healthcare educational providers' continuing education programs and for in-house training at healthcare providers, managed care companies, and other entities.

A recently received review of this latest edition by Marietta P. Stanton, Ph.D., RN, BC, CNL, CNAA, CMAC, CCM, Professor and Director of the Graduate Program at The University of Alabama Nursing, echoes those of other reviewers.

Ms. Stanton commented, "I am thrilled with your new text...especially the brand new chapters on health literacy, adherence, multiculturalism and obesity. These are very timely and are just not to be found in other current texts on case management. I plan to use the text in my graduate course entitled, "Evidence-based Practice for Case Managers."

According to its author, Ms. Mullahy, The Case Manager's Handbook, Fourth Edition helps case managers build fundamentals, study for the CCM exam and advance their careers after the exam. Said Ms. Mullahy, "It is intended to be a comprehensive resource that combines the latest data with real life examples that drive home the points and need for best in class case management practices."

The Case Manager's Handbook, Fourth Edition, © Copyright 2010 is published by Jones and Bartlett Publishers. The US list price is \$82.95. It can be ordered online at:
